

A Product of BioBased Technologies®

# BioBased® 501w Insulation Foam - Material Safety Data Sheet

## 1. PRODUCT AND COMPANY IDENTIFICATION

<b>Product Name:</b>	BioBased® 501w Insulation Foam
<b>Synonyms/Generic Names:</b>	Open cell insulation foam, ½ # per cubic foot. BioBased® 501w Insulation This MSDS covers material that has been in place for 90 days or more.
<b>Product Use:</b>	Insulation of structures
<b>Manufacturer:</b>	BioBased® Insulation a Division of BioBased Technologies® LLC 1200 Stewart Place, Springdale, AR 72764 (479) 966-4600 (479) 966-4601 (fax) Website: <a href="http://www.biobased.net">www.biobased.net</a>
<b>In Case Of Emergency Call:</b>	CHEMTREC (800) 424-9300 (24 Hours/Day, 7 Days/Week, US and Canada) or call (collect) at (703) 527-3887 (USA)

## 2. HAZARDS IDENTIFICATION

**EMERGENCY OVERVIEW:** A pale yellow light weight solid. May give off toxic vapors if involved in a structural fire.

**OSHA Hazard Communication Standard:** This product is not considered hazardous.

### Potential Health Hazards:

<b>Skin:</b>	May cause irritation if handled with bare hands due to abrasive nature of foam particles.
<b>Eyes:</b>	Particles of foam may irritate eyes like many solids (e.g., sand or dirt).
<b>Inhalation:</b>	Inhalation of foam particles may cause irritation like many solids (e.g., sand or dirt).
<b>Ingestion:</b>	Not an anticipated route of entry. Foam is not considered toxic.
<b>Delayed Effects:</b>	No long term effects anticipated.

Ingredients found on one of the three OSHA designated carcinogen lists are listed below.

Ingredient Name	NTP Status	IARC Status	OSHA List
No ingredients listed in this section	----	----	----

## 3. COMPOSITION/INFORMATION ON INGREDIENTS

Ingredient Name	CAS Number	Weight %
Cured open cell insulation foam	Trade secret	100

Trace impurities and additional material names not listed above may appear in Section 15 of this MSDS. These materials may be listed for local "Right-To-Know" compliance and for other reasons.

## 4. FIRST AID MEASURES

<b>Skin:</b>	Wash with soap and water.
<b>Eyes:</b>	Immediately flush eyes with running water. Get medical attention for any irritation.
<b>Inhalation:</b>	Remove to fresh air.

# MSDS – BioBased® 501w Insulation Foam

<b>Ingestion:</b>	Not an anticipated route of entry. Product should not present a toxic hazard.
<b>Advice to Physician:</b>	Treat symptomatically.

## **5. FIRE FIGHTING MEASURES**

### Flammable Properties

<b>Flash Point (and method)</b>	Solid material.
<b>Autoignition Temperature:</b>	Not determined
<b>Upper Flame Limit (volume % in air):</b>	Not determined
<b>Lower Flame Limit (volume % in air):</b>	Not determined
<b>Flame Propagation Rate (solids):</b>	Not measured
<b>OSHA Flammability Class: (storage)</b>	None

<b>Extinguishing Media:</b>	Use any standard agent suitable for surrounding structural fire.
<b>Unusual Fire And Explosion Hazards:</b>	Burning foam can release toxic and irritating vapors.
<b>Special Fire Fighting Precautions/Instructions:</b>	Wear self contained breathing apparatus. Avoid skin or eye contact with liquid and vapors.

## **6. ACCIDENTAL RELEASE MEASURES**

<b>In Case Of Spill or Other Release:</b>	Wear work gloves. Pick up or shovel up solids and place into container for reuse or disposal
---	--

## **7. HANDLING AND STORAGE**

<b>Normal Handling:</b>	Use work gloves if handling foam blocks or particles. Avoid breathing dusts.
<b>Storage Recommendations:</b>	As finished foam is "foamed" into place, no special handling is required.

## **8. EXPOSURE CONTROLS/PERSONAL PROTECTION**

<b>Engineering Controls:</b>	Not required
------------------------------	--------------

### Personal Protective Equipment

<b>Skin Protection:</b>	Wear work gloves when handling or removing insulation from buildings.
<b>Eye Protection:</b>	Wear safety glasses as a general good practice.
<b>Respiratory Protection:</b>	Not normally required. Wear a dust mask if dusty conditions exist.
<b>Additional Recommendations:</b>	A source of running water for washing.

### Exposure Guidelines

<b>Ingredient</b>	<b>ACGIH TLV</b>	<b>OSHA PEL</b>	<b>Other Limit</b>
None for foam product	None established	None established	None established

<sup>1</sup> = Limit established by BioBased® Insulation.

<sup>2</sup> = Workplace Environmental Exposure Level (AIHA).

<sup>3</sup> = Biological Exposure Index (ACGIH).

## 9. PHYSICAL AND CHEMICAL PROPERTIES

<b>Appearance:</b>	Pale yellow solid foam		
<b>Physical State:</b>	Solid		
<b>Odor</b>	None		
<b>Specific Gravity (water = 1.0):</b>	0.008	(½ pound per cubic foot)	
<b>Solubility In Water (weight %):</b>	Not soluble		
<b>pH:</b>	Not applicable		
<b>Boiling Point:</b>	Not applicable		
<b>Freezing Point:</b>	Not applicable		
<b>Viscosity</b>	Solid		
<b>Vapor Pressure:</b>	None		
<b>Vapor Density (air = 1.0):</b>	Not applicable		
<b>Evaporation Rate:</b>	Not applicable	<b>Compared To:</b>	
<b>% Volatiles:</b>	None		
<b>Flash Point:</b>	None – Solid material		

## 10. STABILITY AND REACTIVITY

<b>Normally Stable:</b>	Stable under foreseeable circumstances
<b>Incompatibilities:</b>	None
<b>Hazardous Decomposition Products:</b>	Toxic vapors and oxides of carbon and nitrogen on combustion. However when tested this product meets <i>The Building Code of the City of New York</i> as being “not more toxic than wood” upon combustion.
<b>Hazardous Polymerization:</b>	Will not occur.

## 11. TOXICOLOGICAL INFORMATION

<b>Acute Toxicity:</b>	This product has not been tested but when burned will generate toxic vapors.
<b>Eye Irritation:</b>	Not an irritant. Solid particles can be irritating like any solid dust.
<b>Skin Irritation:</b>	Not an irritant. Solid particles can be irritating like any solid dust.
<b>Respiratory Contact</b>	Not an irritant. Solid particles can be irritating like any solid dust.
<b>Chronic data:</b>	None.

## 12. ECOLOGICAL INFORMATION

Not considered hazardous.

## 13. DISPOSAL CONSIDERATIONS

### RCRA

<b>Is the unused product a RCRA hazardous waste if discarded?</b>	No
<b>If yes, the RCRA ID number is:</b>	-----

The information offered in Section 13 is for the product as shipped. Use and/or alterations to the product such as mixing with other materials may significantly change the characteristics of the material and alter the RCRA classification and the proper disposal method.

# MSDS – BioBased® 501w Insulation Foam

<b>Other Disposal Considerations:</b>	Solid insulation should be disposed off as a construction waste material.
---------------------------------------	---

## **14. TRANSPORT INFORMATION**

<b>Shipping Name:</b>	Not regulated
<b>UN ID Number</b>	Not applicable
<b>Packing Group</b>	Not applicable
<b>US DOT Hazard Class:</b>	Not applicable
<b>Canadian TDG Hazard Class:</b>	Not applicable
<b>IMDG Hazard Class (sea):</b>	Not applicable
<b>IATA Hazard Class (air):</b>	Not applicable

## **15. REGULATORY INFORMATION**

### Toxic Substances Control Act (TSCA)

<b>TSCA Inventory Status:</b>	Foam is exempt from PMN rules and is manufactured from TSCA listed materials.
<b>Other TSCA Issues:</b>	None

### SARA Title III/CERCLA

"Reportable Quantities" (RQs) and/or "Threshold Planning Quantities" (TPQs) exist for the following ingredients.

<b>Ingredient</b>	<b>SARA/CERCLA RQ (lb)</b>	<b>SARA EHS TPQ (lb)</b>
No ingredients listed in this section.		

Spills or releases resulting in the loss of any ingredient at or above its RQ require immediate notification to the National Response Center [(800) 424-8802] and to your Local Emergency Planning Committee.

**SARA 311 Hazard Class:** None

### SARA 313 Toxic Chemicals:

The following ingredients are SARA 313 "Toxic Chemicals" and may be subject to annual reporting requirements. CAS numbers and weight percents are found in Section 2.

<b>Ingredient</b>	<b>Comment</b>
No ingredients listed in this section.	

### State Right-To-Know

In addition to the ingredients found in Section 2, the following are listed for state right-to-know purposes. These materials may exist in extremely small quantities immediately after 'blowing' of the insulating foam. It is anticipated that these concentrations should diminish to undetectable within 30 days of foam installation.

<b>Ingredient</b>	<b>Weight %</b>	<b>Comment</b>
No ingredients listed in this section.		

<b>Additional Regulatory Information:</b>	None
---	------

### Non-US Regulatory Information.

# MSDS – BioBased® 501w Insulation Foam

<b>WHMIS Classification: (Canada)</b>	Not a controlled product. This product has been classified in accordance with hazard criteria of the Controlled Products Regulations and the MSDS contains all the information required by the Controlled Products Regulations.
<b>Other Chemical Inventory Status:</b>	Solid foam material.

---

## 16. OTHER INFORMATION

---

<b>Current Issue Date:</b>	January 28, 11
<b>Previous Issue Date:</b>	November 20, 2008
<b>Changes from previous Issue Date:</b>	Updated company address
<b>Other Product Information:</b>	<ul style="list-style-type: none"><li>• When tested according to ASTM E84, the Flame Spread rate was <math>\leq 25</math> and the Smoke Level was <math>\leq 450</math></li><li>• When tested by ASTM C1338-00, this foam passed the <i>criteria for fungi resistance</i>.</li><li>• This product meets the <i>Acceptance Criteria for Foam Plastic Insulation</i> when tested according to ICC-ES Acceptance Criteria AC-12 for nonstructural insulating applications.</li></ul>

### Hazard Ratings

<b>HMIS (III)</b>	<b>NFPA</b>
Health – 0	Health – 0
Flammability – 1	Flammability – 1
Physical Hazard – 0	Instability – 0

The technical data contained herein is true and accurate to the best of BioBased® Insulation, LLC's knowledge on the date of publication. The technical data is subject to change, however, and the user should contact BioBased® Insulation, LLC to verify that the technical data is current. In addition, the technical data is provided for your guidance only. Because many factors can affect the processing or application of the product and/or its use, it is the user's responsibility to test the product to determine its suitability for the user's intended use. The sale and use of this product is subject to all of the terms and conditions set forth in the BioBased® Insulation sales order, including the LIMITED WARRANTY, DISCLAIMER OF WARRANTY AND RELEASE, and EXCLUSION OF CONSEQUENTIAL AND OTHER DAMAGES. This technical data does not create an express warranty of any kind. The only warranty applicable to this product is the written, limited express warranty contained in the BioBased® Insulation sales order, which is extended to the purchaser only.
